

AWANA Theme Chart 2009-2010

Theme nights will be held on the 2nd AWANA meeting of each month starting in October, unless it conflicts with the church's calendar (*subject to change*). Please call your clubbers each month to remind them about "Theme Nights".

Please coordinate the council time message with the theme night for more emphasis, and plan special activities during game time and specialty treats at snack time. This would make the whole evening more exciting. Suggestions have been made for the *Council Time Focus*; however it is optional.

Theme Nights are meant to liven up the program and generate excitement for both the children and the leaders. It gives everyone something special to look forward to on one Friday night of each month.

DATE	THEME	COUNCIL TIME FOCUS
